10. Midway down the page you can “Join A Team” using the drop-down box. Click down to find “Grand Rapids Rowing” to take part in Team Challenges and more! We realize that it is unwieldy to essentially sign up twice to be on the same team, but that’s how Concept2 has it set up, for now.

See you on the machines!

**About Teams**

Use this area of the logbook to create or join a team to participate in one of the three team challenges held throughout the year:

- [The January Virtual Challenge](#)
- [The World Rowing Challenge](#)
- [The Fall Rowing Challenge](#)

Teams are only related to the three team challenges listed above. If you don't want to row in a team challenge but are interested in being affiliated with a group of rowers, check out the University/Club Standings and Affiliations. These are groups of rowers whose season-long meter totals appear on the [University/Club Standings page](#).

You can find more information about Teams and Affiliations in the [Ranking FAQs](#).

**Join A Team**

If you're not already a member of a team, you can join one below. If a team has open membership, you will be able to join right away, otherwise you will need to contact the team manager to request permission. The teams listed below are the teams that have signed up for the next challenge (January Virtual Team Challenge) so far. **The deadline to join a team for the JVTC is by 23:59:59 (ET) 1/15/2010.** After that date, nobody can either join (or leave) a team until the next challenge.
